- Men's Long Sleeve Square Textured Shirt
- Contemporary Fit
- Placket Front
- Spread Collar
- Convertible Cuff
- Left Chest Pocket

When is a stripe not a stripe?

At first glance, it gives the impression of a fine vertical stripe, but up close and personal, Guildford reveals a lightly textured dobby that reads as a subtle check. Cut in an easy contemporary fit, this long sleeve shirt features a placket front with left chest pocket, finished with a versatile spread collar and clean convertible cuff. With its easy-iron cotton-rich blend, Guildford pairs considered detailing with low-fuss wearability.
