1638WL ELMORE DOBBY SHIRT

- Tailored Fit
- Front & Back Darts
- Hidden Modesty Button

Your ticket to first-class refinement

It's the piece that's small on detail but big on upgrade. Pairing a modern profile with an intricate micro-textured weave, Elmore transforms an ordinary shirt into a subtle point of difference. This long sleeve tailored fit features shaping darts and a hidden modesty button, forming a structured base that lets the dobby finish take centre stage. Cut from an easy-iron, cotton-rich blend with a polished silk-protein sheen, there's quiet refinement in every wear.
